

## 2009-2010 Fee Schedule Form

North Pointe Prep is a member of Pointe Schools, an Independent Public School District recognized by the State Board for Charter Schools, the Arizona Department of Education, and the Federal government. Pointe Schools are **tuition free** to students residing in Arizona. However, financial support and involved families are vital to the success of our students. The State of Arizona has provided an opportunity for families to support Pointe Schools through Tax Credit Donations (see [preptv.org](http://preptv.org)). Participation in Club or on a Team or Group may require fundraising for trips and additional fees for club/team/group attire.
